re: A-HA "Take On Me"

Dear David:

Enclosed is a copy of our basic agreement which has been modified to reflect the provisions we discussed on the phone last week. Since you have been away, there has been a few problems in getting the conversion underway. However, by the time you receive this, all should be sorted out.

Susan Silverman has been great in handling the project, and has requested a letter outlining our use of promotional materials. Pam Henning has sent a letter by Federal Express which I hope is sufficient in getting your departments to respond quickly.

If all goes well from here on out, we should begin to launch on July 19th - at the very earliest. However, it is imperative that we receive all promotional materials by next Wednesday to ensure that date. I will also need someone from Limelight to approve the color corrections from the answer print on Monday (July 8th) at Photocam laboratories. If you foresee any problems, please contact me immediately.

Thank you for your continuing support of MUSIC MOTIONS.

Best Regards

Tom Hayes
